

## **About Alex Saul Manager of Investigations, Barker Hutchinson**

Alex is an experienced investigator whose practice is focused on assisting regulators. Alex has extensive experience investigating allegations of sexual abuse, inappropriate billing practices and prescribing practices, amongst other practice related concerns.

As the Manager of Investigations, Alex is responsible for the strategic oversight of regulatory investigations while also maintaining her own smaller caseload. Alex works with investigators to ensure each investigation meets our standards for quality, thoroughness and timeliness, and also meets each regulator's expectations. Alex also assists in the design and implementation of investigation policy and process.

Alex was an investigator with the College of Physicians and Surgeons of Ontario prior to joining Barker Hutchinson. Alex was the lead investigator on a number of high-profile cases. She worked closely with College counsel, insurers, law enforcement agencies, the Ministry of Health and Long-Term Care, and regulatory bodies from other jurisdictions. She was also responsible for mentoring investigators.

Alex practised as a registered nurse prior her employment with the College of Physicians and Surgeons of Ontario. Alex practised in the area of mental health and also served as a case manager who conducted and coordinated home health care services.

Alex obtained her Honours Bachelor of Arts and Science from Queens University where she graduated with distinction. Alex also obtained her Honours Bachelor of Science in Nursing from University of Ontario Institute of Technology where she was awarded several scholarships, including a scholarship for the highest GPA in the Faculty of Health Science.
